

BIOGENA ONE

BIOGENA ONE - hello healthy lifestyle!

Discover BIOGENA ONE - the next-generation green drink that ingeniously supports your daily nutrient supply with its 99 smart ingredients and is made for you and your potential development. Whether you're aiming for a new nutrition routine, exercise regularly or want to give your healthy lifestyle that little bit extra - BIOGENA ONE is the perfect companion with minimal effort. Simple, smart, scientific.

BIOGENA ONE combines the power of 99 high-end ingredients, interpreted with the refreshing fruitiness of apple & kiwi, complemented by cucumber and the slightly stimulating twist of wasabi leaf powder:

- All 13 vitamins
- 11 minerals & trace elements
- 49 selected botanicals
- 3 amino acids
- 10 lacto- and bifidobacteria strains
- 4 carotenoids
- 2 vital mushrooms
- 2 algae
- 5 other substances (ubiquinol, trans-resveratrol, quercetin, taurine, beta-glucans)

BIOGENA ONE IN DEEP DIVE

- With exclusive wasabi leaf powder from Pannonian indoor farming - grown with the help of 100 % renewable energy, 0 % pesticides, 100 % flavour
- With valuable polyphenols from grape, grape seed, pomegranate, olive leaf, blueberry, blackcurrant and citrus fruits.
- With the polyphenol trans-resveratrol, which is also naturally present in red wine.
- With the polyphenol quercetin, also called the "king of flavonoids".
- With glucoraphanin, a glucosinolate from broccoli.
- With the carotenoids astaxanthin, zeaxanthin, lutein and lycopene.
- With the amino acids L-glutamine, L-lysine and glycine as well as the amino acid derivative taurine.
- With the algae spirulina & chlorella.
- With the vital mushrooms Reishi & Cordyceps.
- With coenzyme Q10 in the immediately available, active form ubiquinol (KANEKA Ubiquinol™).

BIOGENA
WELCOME TO YOURSELF

WHY BIOGENA ONE - SCIENTIFICALLY BASED:

01 MENTAL FITNESS

The vitamins thiamine, niacin, vitamin B6, biotin, folate, vitamin B12 and vitamin C as well as the mineral magnesium contribute to normal mental function. Zinc supports normal cognitive function. Pantothenic acid contributes to normal mental performance.

02 IMMUNE SYSTEM

Vitamins A, C, D, B6, B12 and folate and the minerals zinc, copper and selenium contribute to normal immune system function.

03 WELLBEING

The vitamins riboflavin, niacin, pantothenic acid, vitamin B6, folate and vitamin B12 as well as the mineral magnesium help to reduce tiredness and fatigue. For a good "gut feeling", 10 naturally occurring strains of lacto and bifidobacteria in the intestine.

04 ENERGY

Vitamins C, thiamine, riboflavin, niacin, pantothenic acid, biotin, vitamin B6 and vitamin B12, as well as the minerals calcium, magnesium, copper and manganese contribute to a normal energy metabolism.

05 SPORT

Calcium, magnesium and potassium contribute to normal muscle function.

06 HEALTHY-AGING

Vitamins C, E and riboflavin, as well as the minerals zinc, copper, manganese and selenium help to protect cells from oxidative stress. Folate, vitamin B12, D, magnesium and zinc have a function in cell division. Calcium has a function in cell division and specialisation. Vitamin A and riboflavin contribute to the maintenance of normal vision. Magnesium, vitamin D and calcium contribute to the maintenance of bones.

Radical quality - The Best for the Best

With BIOGENA ONE you get more than just a drink. You can expect 99 high-end ingredients that have been sourced worldwide by the BIOGENA product development team and subjected to radical quality tests.

BIOGENA ONE is committed to radical quality - ensured by the independent German LEFO Institute, which has created a test wheel with a seamless two-stage quality assurance system for the rigorous BIOGENA quality standards, in which every BIOGENA product batch is tested for value-determining ingredients, microbiological quality as well as heavy metals, pesticides & Co. Biogena ONE is a Cologne List® product.
