

# Basogena® 5 base powder

For the daily supply of valuable base compounds

## The acid-base balance

A balanced acid-base balance provides the basis for all processes in the body to run optimally and to maintain performance and vitality for a long time. Our modern times - changed environmental conditions, a comfortable lifestyle and an unbalanced diet - are rather acidic. A base powder with suitable mineral compounds ensures that additional bases are supplied to the body.

## Biogena Basogena® 5

Biogena Basogena® 5 contains selected base-forming mineral compounds for targeted short-term use or regular supplementation. Energized by homeodynamic manufacture.

## Possible applications

- For the regular or targeted short-term supply of bases

## Bioavailable micronutrients in pure form

- According to the pure substance principle
- Without colorants, flavorings and coating substances
- Gluten-free
- Lactose-free
- Fructose-free
- Hypoallergenic
- 100% vegan
- Tested quality
