

Coenzym Q10 active Spray Ubiquinol

Apply – allow it to take effect – swallow

Coenzym Q10 active Spray: For use on the gums

Coenzym Q10 active Spray contains coenzyme Q10 in its active form ubiquinol (KANEKA Ubiquinol™). The alcohol-free preparation is recommended for oral use.

What makes the ubiquinol (KANEKA Ubiquinol™) contained in this spray so special?

- Optimal uptake: Activated coenzyme Q10 (ubiquinol) is better taken up by the body. A special manufacturing process (PhytoSolve®) improves the absorption of fat-soluble ubiquinol and also makes its uptake independent of a concomitant intake of fat.
- Straight to the cell with no diversions: Ubiquinol, the ready-to-go form of coenzyme Q10, is available to the body completely and immediately. It does not need to be initially converted, involving enzymes requiring selenium and zinc.
- Safe and reliable: The ubiquinol used is a Q10 top-quality raw material from the market leader Kaneka (KANEKA Ubiquinol™). There are extensive safety studies available on the long-term intake of KANEKA Ubiquinol™.

Possible uses:

- For oral use

Bioavailable micronutrients in a pure form

- Without colours or flavours
- Alcohol-free
- Gluten-free
- Lactose-free
- Fructose-free
- 100 % vegan
- Quality tested

INGREDIENTS

Glycerin, water, coenzyme Q10 (ubiquinol), Vegetable oils (coconut, rapseed), emulsifier: lecithin (from **soy**), acidity regulator: sodium hydroxide.

RECOMMENDED DOSAGE

Apply the liquid twice a day with 3 pump-spraying processes in the mouth area and distribute with the tongue. Allow to act, then swallow. Shake before using.

NOTE

Food supplement in accordance with EU Directive 2002/46/EC

ADDITIONAL NOTE

Contains pure ubiquinol, which is the body's own active form of coenzyme Q10 and is available to the tissue without delay. Alcohol-free.

PACKAGE SIZE AND CONTENT

30 ml (1 to 1.5 month supply)

Food supplement: The recommended daily dosage should not be exceeded. No substitute for a balanced and varied diet and a healthy lifestyle. Store in a dark, dry place at room temperature. Protect from heat. Keep out of reach of children. Suitable for diabetics. The information provided here is not a statement on healing or a recommendation to self-medicate.
