

BIOGENA ONE Starterbundle

BIOGENA ONE – hello healthy lifestyle!

[Save up to 50% with a subscription](#)

Discover BIOGENA ONE – the next-generation green drink that brilliantly supports your daily nutrient intake with its 99 smart ingredients and is tailor-made for you and your personal growth. Whether you're aiming for a new nutrition routine, stay active regularly, or want to give your healthy lifestyle that extra boost – BIOGENA ONE is the perfect companion with minimal effort. Simple, smart, scientific.

BIOGENA ONE combines the power of 99 high-end ingredients, infused with the refreshing fruitiness of apple & kiwi, complemented by cucumber and the slightly stimulating flavor twist of wasabi leaf powder:

- All 13 vitamins
- 11 minerals & trace elements
- 49 selected botanicals
- 3 amino acids
- 10 strains of lactobacilli and bifidobacteria
- 4 carotenoids
- 2 medicinal mushrooms
- 2 algae
- 5 other substances (ubiquinol, trans-resveratrol, quercetin, taurine, beta-glucans)

BIOGENA ONE IN DEEP DIVE

- With exclusive wasabi leaf powder from a Pannonian indoor farming facility—grown using 100% renewable energy, 0% pesticides, 100% flavor
- With valuable polyphenols from grapes, grape seeds, pomegranates, olive leaves, blueberries, black currants, and citrus fruits.
- With the polyphenol trans-resveratrol, which is also naturally found in red wine.
- With the polyphenol quercetin, also known as the “king of flavonoids.”
- With glucoraphanin, a glucosinolate from broccoli.
- With the carotenoids astaxanthin, zeaxanthin, lutein, and lycopene.
- With the amino acids L-glutamine, L-lysine, and glycine, as well as the amino acid derivative taurine.
- With the algae spirulina and chlorella.
- With the medicinal mushrooms reishi and cordyceps.
- With coenzyme Q10 in the immediately available, active form ubiquinol (KANEKA Ubiquinol™)

BIOGENA
WELCOME TO YOURSELF

WHY BIOGENA ONE – SCIENTIFICALLY BASED:

01 MENTAL FITNESS

The vitamins thiamine, niacin, vitamin B6, biotin, folate, vitamin B12, and vitamin C, as well as the mineral magnesium, contribute to normal psychological function. Zinc supports normal cognitive function. Pantothenic acid contributes to normal mental performance.

02 IMMUNE SYSTEM

Vitamins A, C, D, B6, B12, and folate, as well as the minerals zinc, copper, and selenium, contribute to the normal function of the immune system.

03 WELL-BEING

The vitamins riboflavin, niacin, pantothenic acid, vitamin B6, folate, and vitamin B12, as well as the mineral magnesium, help reduce tiredness and fatigue. Ten strains of lactobacilli and bifidobacteria naturally found in the gut promote a healthy gut feeling.

04 ENERGY

Vitamins C, thiamin, riboflavin, niacin, pantothenic acid, biotin, vitamin B6, and vitamin B12, as well as the minerals calcium, magnesium, copper, and manganese, contribute to normal energy metabolism.

05 SPORT

Calcium, magnesium, and potassium contribute to normal muscle function.

06 HEALTHY AGING

Vitamins C, E, and riboflavin, as well as the minerals zinc, copper, manganese, and selenium, help protect cells from oxidative stress. Folate, vitamins B12 and D, magnesium, and zinc play a role in cell division. Calcium plays a role in cell division and specialization. Vitamin A and riboflavin contribute to the maintenance of normal vision. Magnesium, vitamin D, and calcium contribute to the maintenance of bones.

Radical Quality – The Best for the Best

With BIOGENA ONE, you get more than just a drink. You'll find 99 high-end ingredients, sourced worldwide by the BIOGENA product development team and subjected to rigorous quality testing.

BIOGENA ONE is committed to radical quality—ensured by the independent German LEFO Institute, which has created a testing protocol with a seamless two-stage quality assurance system to meet BIOGENA's rigorous quality standards. This system examines every BIOGENA product batch for key active ingredients, microbiological quality, as well as heavy metals, pesticides, and other contaminants. Biogena ONE is a product of the Cologne List®.

Bioavailable micronutrients in their purest form

- Based on the principle of pure substances
- With natural flavors
- Lactose-free
- Gluten-free
- 100% vegan
- Certified quality
