

Nutrident® Paro Pro Superior

Nutrident Paro Pro® Superior is an advanced micronutrient formula with vitamin C to support dental health, selected micronutrients for cell protection, and zinc for healthy immune function. It contains high doses of vitamins and minerals such as vitamin C, zinc, and selenium, as well as quercetin phospholipid and ubiquinol. New is the polyphenol blend of olive leaf, pomegranate, and grape seed extract, with standardized amounts of OPC, ellagic acid, and oleuropein, which our simple **Nutrident Paro Pro®** does not contain. The new formula is particularly suitable for targeted care in the area of gums and antioxidant cell protection.

- Supports healthy gum tissue with vitamin C.
- Vitamins C and E, zinc, and selenium help protect cells with antioxidants*—even in the sensitive gum area.
- Zinc contributes to healthy immune system function*, including in the mouth.
- Supplemented with 100 mg KANEKA Ubiquinol™, 110 mg quercetin (Quercefit®) and a carefully balanced polyphenol blend.

Health claims:

- *Vitamin C contributes to normal collagen formation for normal function of the gums, teeth, and blood vessels.
- *Vitamin E, vitamin C, zinc, and selenium contribute to the protection of cells from oxidative stress.
- *Zinc contributes to normal protein synthesis, normal immune function, and the maintenance of normal skin.
- *Selenium contributes to the normal function of the immune system.

INGREDIENTS per daily dose	2 capsules	% NRV*
Vitamin C (Ester C®)	500 mg	625
Vitamin E (mg alpha-TE)	50 mg	417
Zinc	10 mg	100
