

Nutrident DoloZym® forte Superior

Nutrident DoloZym® Forte Superior with bromelain, papain, trypsin & chymotrypsin in detail:

Nutrident DoloZym® Forte Superior combines a targeted enzyme formula of bromelain, papain, trypsin and chymotrypsin with the bioflavonoids quercetin and citrus bioflavonoids.

The four enzymes contained in Nutrident DoloZym® forte Superior have proteolytic properties, i.e. they break down proteins. Bromelain and papain are obtained exclusively from plant sources - while papain is found in particularly high concentrations in the peel of the green papaya, bromelain is mainly found in pineapple.

This combination promotes wound healing in the mouth and supports the natural healing process of the gums. Particularly suitable for phases of increased stress in the mouth area, it promotes the healing process and offers antioxidant protection. Quercetin also has an anti-inflammatory effect and supports the health of the entire oral cavity. Ideal for daily intake to support your dental health.

In addition, natural bioflavonoids such as quercetin and citrus bioflavonoids as well as grape extract complement the well thought-out enzyme complex - making the combination of special micronutrients contained in Nutrident DoloZym® forte Superior a sensible addition to your daily diet. We recommend taking it on an empty stomach and before brushing your teeth.

Nutrident DoloZym® forte Superior

1. Supplements your daily oral care routine
2. Contains a specially balanced enzyme complex (bromelain, papain, trypsin, chymotrypsin)
3. With selected bioflavonoids such as quercetin, citrus bioflavonoids and grape extract
4. Premium preparation for all those who want to consciously expand their oral care

Bioavailable micronutrients in pure form

- Based on the pure substance principle
- No colorings, flavorings or coatings
- Gluten-free
- Vegetable capsule shell
- Tested quality

INGREDIENTS per daily dose	3 capsules	% NRV*
Bromelain	300 mg	-
Papain	300 mg	-
Trypsin-chymotrypsin	150 mg	-
Chymotrypsin	5 mg	-
Quercetin	300 mg	-
Citrus bioflavonoids	180 mg	-
Grape extract	30 mg	-

* % OF NUTRIENT REFERENCE VALUES IN ACCORDANCE WITH EU REGULATION 1169/2011.

INGREDIENTS

Capsule shell (hydroxypropyl methyl cellulose, gelling agent: gellan gum), bulking agent: powdered cellulose, quercetin, bioflavonoid-containing citrus extract, bromelain, papain (contains **sulfites**), trypsin-chymotrypsin, grape extract, chymotrypsin (contains **milk**).

RECOMMENDED DOSAGE

Take 1 x 3 capsules daily with plenty of liquid, preferably on an empty stomach and before brushing your teeth.

NOTE

Food supplement in accordance with EU Directive 2002/46/EC

IMPORTANT NOTICE

Enzymes have a slight blood-thinning effect. They should therefore be discontinued at least one day before a planned operation. As soon as haemostasis is assured after the operation, you can start taking them again. Please consult your doctor.

ADDITIONAL NOTE

Enzymaktivität:

Bromelain: 6 FIP-E/mg

Papain: 60000 USP-E/mg

Trypsin/Chymotrypsin: 1400 USP-E/mg (= Trypsin 2400 USP-E/mg + Chymotrypsin 400 USP-E/mg)

Chymotrypsin: 1000 USP-E/mg

PACKAGE SIZE AND CONTENT

90 capsules (pack for 1 month), 59 g

Food supplement: The recommended daily dosage should not be exceeded. Not a substitute for a balanced and varied diet and a healthy lifestyle. Store in a dark, dry place at room temperature. Protect from heat. Keep out of reach of children. Suitable for diabetics. The information provided is not intended to be curative or to encourage self-medication.
