## ProCollagen & Hyaluronic Acid+

### Three blends – one mission: your beauty!

This vegan beauty drink combines three powerful blends with vegan **GREENIURONIC®** hyaluronic acid from tremella extract.

- ProCollagen Blend with glycine, proline, lysine, and vitamin C, which contributes to normal collagen formation for normal skin function.
- GlamourBeauty Blend with biotin, which supports the maintenance of beautiful skin and hair, vitamin B6 for hormonal balance, and selenium, which contributes to the maintenance of healthy nails, supplemented with silicon and phytoceramides from gluten-free wheat seed extract (CERAMOSIDESTM).
- AntiOx Blend with zinc, which protects cells from oxidative stress, melon juice concentrate (EXTRAMEL®), and polyphenols from pomegranate and grape seed extract

For radiant beauty—from within! And all this with a natural cherry-rose flavor—without sucralose.
