

ProKollagen & Hyaluron+ Starter Bundle

The Premium ProKollagen & Hyaluron+ Starter Bundle is the vegan alternative to classic collagen. The monthly pack combines 160 mg of GREENIURONIC® hyaluronic acid with a ProCollagen, GlamourBeauty, and AntiOx blend. It contains glycine, lysine, proline, vitamin C, biotin, selenium, and zinc, among other ingredients. Developed as a drinkable skincare product, the set supports a structured 30-day glow routine and includes a bottle.

Dissolve one sachet of Premium ProCollagen & Hyaluron+ in approx. 300 ml of water every day and integrate it into your glow routine.

*Vitamin C contributes to normal collagen formation for normal skin function.

*Biotin and zinc contribute to the maintenance of normal skin, selenium to the maintenance of normal hair and nails. Ideal as a vegan skincare drink.

Bioavailable micronutrients in pure form

- Based on the pure substance principle
- With natural flavors
- Lactose-free
- Tested quality
