

Safrodia® Superior

In stressful times, the unique combination of rhodiola and saffron provides support.

We combine two premium brand raw materials for this purpose:

- Rhodiolife® Rhodiola rosea extract - helps the body to adapt to emotional stress and physical exertion.
- Safr'Inside™ saffron extract - the golden essence of saffron. Saffron contributes to emotional balance.
- The formula is supplemented by B vitamins and magnesium, which provide targeted support for mental performance* and well-being*. Ideal for anyone who wants to cope with stressful situations more calmly and support their mental clarity*.
- *Saffron (Crocus sativus) contributes to emotional balance.
- *Rhodiola rosea helps the body to adapt to emotional stress and physical exertion.
- *Vitamins B6, B12 and magnesium contribute to normal mental function.
- *Pantothenic acid supports normal mental performance.
- *The B vitamins niacin, pantothenic acid, vitamins B6, 12, riboflavin and folate as well as magnesium contribute to the reduction of tiredness and fatigue.
